ELEGANT INSPIRATION TO DREAM

Introduction

More than 30 years of heritage, global experience and knowledge in ceramic and Tile industry has created a pioneer brand of porcelain slab, named Mico.

Mico was born in “Modern Ideal Company” to make a dream, come true...The dream of creating an international brand which shines like a diamond in ceramic world.

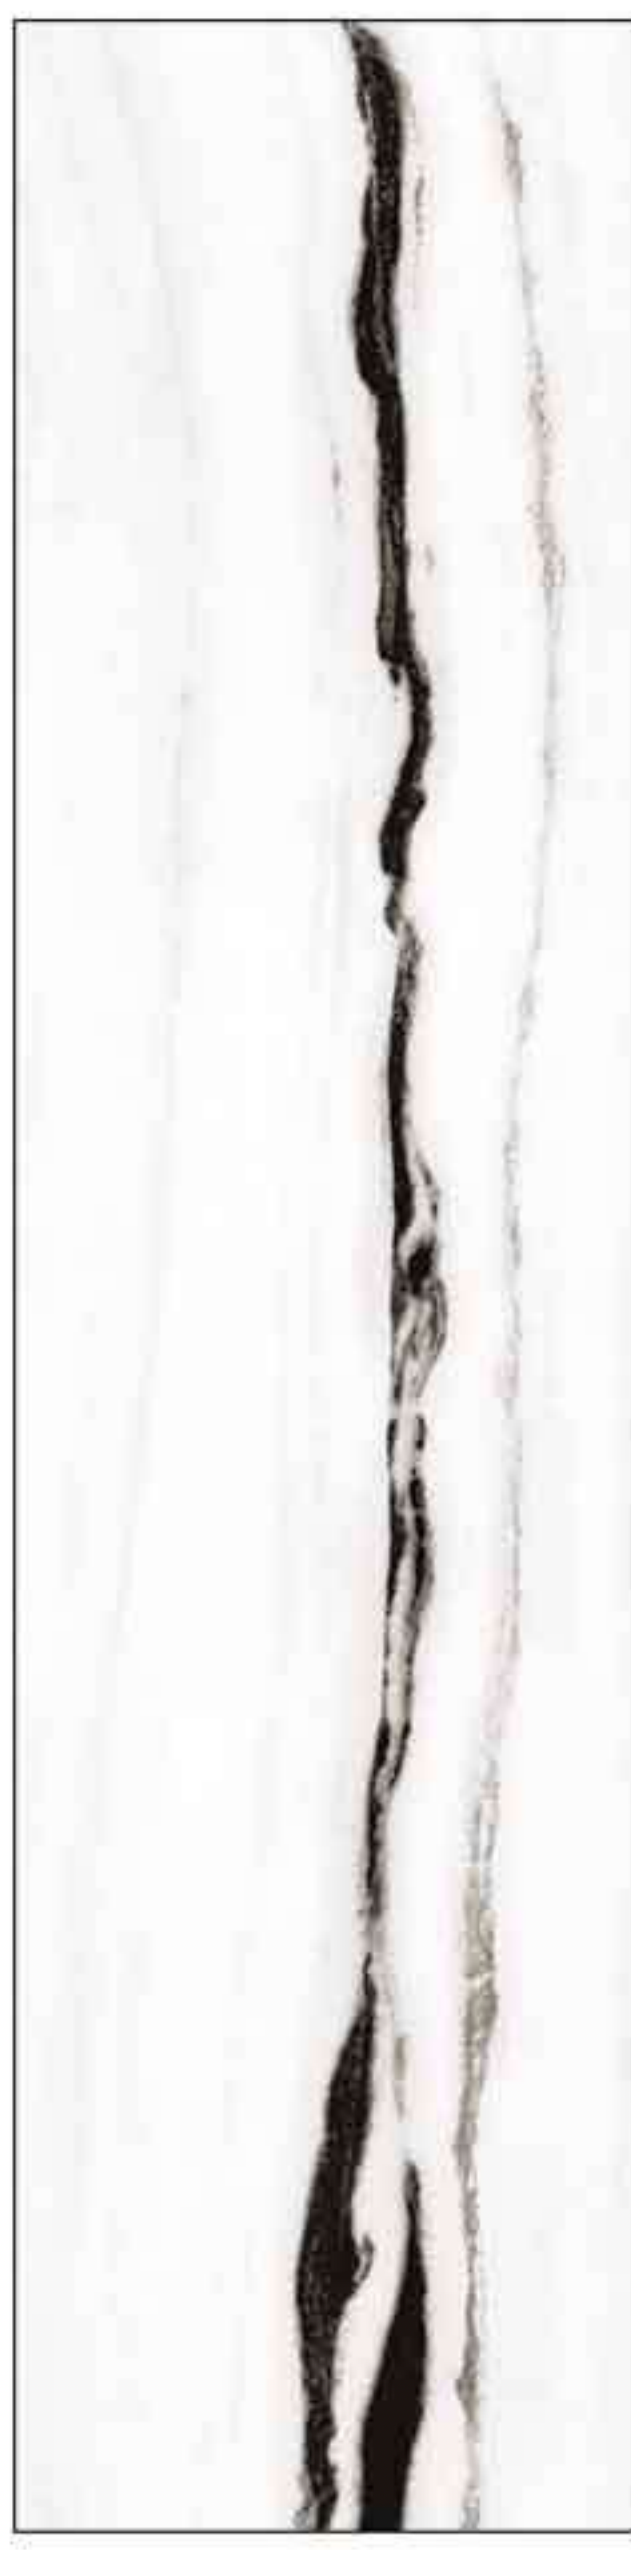

Our mission is, developing top quality products, fashionable designs and providing professional services to our clients.

Mico slabs are being produced with latest Italian technology and knowledge. All the raw materials are being selected from the best suppliers in the world. The R&D teams are working constantly on our production to meet the highest quality standards and offer a wide range of designs and sizes.
